## WARRANT FOR THE ANNUAL TOWN MEETING

The State of New Hampshire

THE POLLS WILL BE OPEN FROM 9:00 A. M. to 7:00 P. M.

To the Inhabitants of the Town of HOPKINTON in the County of MERRIMACK in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at Town Hall in said Hopkinton on Tuesday, the sixth day of March, next at nine of the clock in the forenoon, to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing.
2. To see what action the Town will take with respect to seven proposed amendments of the Town Zoning Ordinance prepared by the Town Planning Board by voting by ballot upon the following questions:

1. Are you in favor of the adoption of Amendment No. 1 as proposed by the Planning Board for the Town Zoning Ordinance as follows: Amend Section 11.07, Paragraph 2 by adding thereto a new sub-paragraph (h) as follows:

“h. A mobile home park shall consist of not less than 10 nor more than 40 units.”

Yes ☐

No ☐

2. Are you in favor of the adoption of Amendment No. 2 as proposed by the Planning Board for the Town Zoning Ordinance as follows: Amend Section 6.08, Paragraph 3 by deleting it and substituting therefore the following:

“3. Except for community facilities and public utilities, only one principal structure shall be permitted on a lot.”

Yes ☐

No ☐

3. Are you in favor of the adoption of Amendment No. 3 as proposed by the Planning Board for the Town Zoning Ordinance as follows: Amend Section 6.08 by adding thereto an additional paragraph 7 as follows:

“7. The maximum number of dwelling units permitted in any multi-family dwelling shall be eight (8).”

Yes ☐

No ☐

4. Are you in favor of the adoption of Amendment No. 4 as proposed by the Planning Board for the Town Zoning Ordinance as follows: Amend Table 3, Dimension and Density Regulations, by deleting footnote (2) and

by deleting the minimum lot area requirement for any permitted use in the R-2 district and substituting therefore the following:

“40,000 + 16,000 for each dwelling unit more than one.”

Yes ☐  
No ☐

5. Are you in favor of the adoption of Amendment No. 5 as proposed by the Planning Board for the Town Zoning Ordinance as follows: Amend Table 2, Use Regulations, by deleting the description of use number 4 under Agricultural and substituting therefore the following:

“Raising and keeping livestock, horses, and poultry and other animals for commercial use.”

Yes ☐  
No ☐

6. Are you in favor of the adoption of Amendment No. 6 as proposed by the Planning Board for the Town Zoning Ordinance as follows: Amend Table 2, Use Regulations, by deleting under Paragraph 4 of the section entitled “Agricultural” in the column entitled, “Mixed” the designation (-) and substituting therefore the designation (P).

Yes ☐  
No ☐

7. Are you in favor of the adoption of Amendment No. 7 as proposed by the Planning Board for the Town Zoning Ordinance as follows: Amend the Zoning Map of the Town of Hopkinton dated June 27, 1972 so that the area on both sides of Briar Hill Road to within 400 feet of Gould Hill Road and Route 103 now zoned R-2 is zoned R-3 as shown on the proposed new Zoning Map.

Yes ☐  
No ☐

3. To see if the meeting will vote to recess its further business proceedings under the Warrant, to reconvene on Wednesday, March 7, 1973 at 7:30 P.M. at Hopkinton High School, the polls, however, to continue open under Article 1 and 2 as declared by the Moderator.

4. To see if the Town will vote to raise and appropriate the sum of \$57,879.00 for General Government Operation:

|                                        |             |

## SELECTMEN'S REPORT

At the 1972 Town Meeting it was voted to purchase a New Ambulance, in October the ambulance arrived.

It was also decided to let the Fire Department decide what would be best to do with the old ambulance. It was decided for the time being anyway, to keep it for a back-up unit, with these two vehicles and the Rescue Squad Truck, this area, has good emergency protection.

The Fire Department has cleared the land donated so generously, by Wayne L. Patenaude.

The town voted in 1972 to hire a Third Full time Police Officer, due to a discrepancy at town meeting in funding, this was postponed until 1973.

The Highway Department received their new Grader in May. It was decided to Rebuild Pine Street with the State T.R.A. Funds in 1972. Due to a hold-up in the State the plans were not ready and had to be postponed until 1973.

A Water Pollution Commission was selected last March. The Commission Members were: Chairman, Merle Thorpe, Paul Otis, Warren Hedden, Wayne Patenaude, Garry Richardson and Leland Wilder. The Commission has worked very hard and came up with a commendable report.

The Commission will remain active through town meeting in 1973. The Commission Report is available to anyone, at the Selectmen's Office or the Town Clerk's Office.

The town also entered in the study with the Central New Hampshire Planning Committee, in regards to a Regional Land Fill Dump. The Selectmen are representing Hopkinton on this committee, the C.N.H.R.P.C. has applied for Federal Grant to continue the study. Hopkinton has until 1974 to stop open burning of the dump and must find other means of disposing of our solid waste. Although, it is expensive, the land fill system seems to be the method most successful in other areas.

The most economical way to handle this is for several towns to work together and share the expense. The Preliminary Report is available at Both Libraries and the Town Clerk's Office.

The State was hired to re-evaluate the town properties and are approximately one third (1/3) completed. We are hoping they will be done in time for next years tax billing.

This year the tax rate went down one dollar, the decrease was mainly attributed to new residents, increasing the tax base considerably.

Due to other commitments, Frank Kimball retired in March of 1972. Frank served the town for 24 years as Selectman and served well. In his place Thomas Johnson, Jr. accepted the appointment.

September 2, 1972 Virginia Astles passed away. Ginny served the town as Tax Collector and also Secretary to the Selectmen for years. Ginny's tremendous knowledge of Town Government will be missed. Moreover, Ginny will not be forgotten by her many friends and admirers for her pleasant smile, personality, and the strong will and determination in what she believed.

We have hired Mrs. Judith Hill, the daughter of the late Ginny Astles who is doing a good job in fulfilling her mother's position as Secretary.

### **SELECTMEN'S REPORT ON REFUSE DISPOSAL**

At the request of the Central N. H. Regional Planning Commission the Selectmen have met through the summer and fall with other towns; reviewed technical studies on various means of waste disposal; reviewed State air pollution control requirements; and evaluated alternate plans to help Hopkinton upgrade our solid waste disposal practices.

We have concluded that:

- A. our present dump operation must be upgraded to meet State requirements by July 1, 1974;
- B. that a sanitary landfill procedure offers the best method of disposal at least cost for the foreseeable future; that the number of potential sites, however, is limited and require detailed analysis and community discussion before they can be recommended as acceptable;
- C. that there appears to be significant savings if towns can work toward a joint solution, but that exact costs cannot be determined until further studies are completed;
- D. that there is significant interest in at least eleven other municipalities in working toward joint resolution of the problem. This is evidenced by the agreement and action of the towns to form a Regional Refuse Disposal Planning Board as provided under State law.

It is recommended that the Town take the following action at the 1973 Town Meeting:

1. Pass an Article officially creating a committee of three in an advisory capacity to represent Hopkinton and to join the Regional Refuse Disposal Planning Board composed of similar committees from other towns.
2. Direct the Committee in conjunction with other towns represented on the Regional Refuse Disposal Planning Board to —
  - A. work out a detailed proposal to resolve the Town's solid waste management problems or to report why such a joint action is not advisable, and
  - B. undertake such analysis, negotiations, and determination of costs for initial and continuing operations, and to draft the proper legal documents and organization procedures necessary to implement the proposed solution and to present these to the Selectmen for action at a Town Meeting.
3. Appropriate \$900.00 at a rate of thirty cents per capita as the Town's share of costs of the Regional Refuse Disposal Planning Board to undertake its work, conditional upon the terms set forth in the Board's proposed bylaws.

Respectfully submitted,  
David A. Story  
Pertice C. Gaskill  
Thomas H. Johnson, Jr.  
Board of Selectmen

# STATEMENT OF APPROPRIATIONS AND TAXES ASSESSED FOR THE TAX YEAR 1972

## POLICE DEPARTMENT

Your Police Department continued a program started in 1969 of preventative law enforcement to attempt to minimize accidents and crime in Hopkinton. This Department will continue strict but fair enforcement of all criminal and motor vehicle laws for the protection of residents of Hopkinton, visitors and people passing through our town.

An example of this preventative law enforcement was the marked increase in arrests for motor vehicle laws in 1972. Because of numerous complaints from residents on speeding vehicles and our own observations, we gave out 202 speeding tickets in 1972 compared to 67 in 1971. Among other motor vehicle arrest increases were for non-inspection, defective equipment, and yellow line violations. Warnings given for motor vehicle violations also increased sharply in 1972.

The number of motor vehicle accidents increased in 1972 even with increased police patrol and the increase in arrests, however, the amount of injury and property damage in the accidents sharply decreased as many of the 85 accidents we investigated last year were on town roads with minor damage and little injury. Another reason for increased motor vehicle accidents and arrests is because of the noticable increase in traffic through the entire town caused by increased population and tourist traffic.

Of major concern to this department in 1972, as in past years, was the increase in burglaries at private homes and businesses in Hopkinton, which has also become a state-wide and national problem. The amount of burglaries increased 100% in 1972 over 1971 as compared to 700% from 1970 to 1971. Even with a 600% decrease last year, burglaries will continue as long as there is a nation wide drug problem and lenient courts. Residents can help us and themselves by keeping their property well lit and calling this Department when leaving their homes unoccupied for vacations or extended trips so we may give advice of deterrence home owners can take and by our knowing you are away will allow us to check your vacant property daily or as time permits while you are away.

The School Safety Patrol operated successfully for the fifth year under the capable direction of Mrs. Pertice Gaskill and Mrs. Dearborn Bailey.

Chief Hargrove, Sgt. Jordan, and Officer Strickford attended St. Anselm's College in Manchester in the evening, on their own time, working toward their associate degree in law enforcement. Officers of the Department also attended Seminars at St. Anselm's along with training sessions at the newly formed Police Standards And Training Academy in Concord. Sgt. Jordan also attended the F. B. I. Firearms Academy.

Your Police Department answered 3,980 calls and travelled 58,286 miles during 1972 in the town cruisers.

Radio communications were greatly improved in 1972 to enable us to communicate from our cruisers to State Police Cruisers, Concord Police

Department, and the Sheriff's Department. Half the cost of this Radio System was funded by the State Crime Commission.

We continued the Summer Cadet Program in 1972 by hiring two cadets for the ten week program completely funded by the Crime Commission.

In December of 1972, matching funds arrived for the third full-time police officer from the Governor's Crime Commission and Charles Facticeau from Dunbarton was hired to fill the vacancy. Charlie is a graduate of Goffstown High School and attended Keene State College for two years and has begun completing his degree at St. Anselm's College in Manchester. He will be attending the six week Basic Training Course for new police officers at the New Hampshire Training Academy in March.

All the members of the Police Department wish to thank the Fire Department for their valuable ambulance assistance at our accidents, and also wish to thank the Fire Department for their contribution to a student from Hopkinton High School each year entering the field of Public Service.

Two part-time officers left us in 1972. B. B. Paine resigned in May because of increased work load in his business and Richard Jones left in August because he moved out of town.

Joining the Department in 1972 was Andrew Michael in April, and his resignation was accepted in December.

My sincere thanks are extended to the Board of Selectmen and the residents of Hopkinton for allowing us to meet your needs and serve you.

James P. Hargrove  
Chief of Police

## REPORT OF THE HOPKINTON FIRE DEPARTMENT

Your Fire Department this year received 47 calls for assistance, as compared with 50 last year. The ambulance crew responded to a total of 131 calls, as compared with 88 a year ago. It might be interesting to note the daily pattern of calls for both the Fire Department and the ambulance.

|           | Fire Department | Ambulance |
|-----------|-----------------|-----------|
| Sunday    | 10              | 16        |
| Monday    | 5               | 21        |
| Tuesday   | 6               | 18        |
| Wednesday | 7               | 20        |
| Thursday  | 13              | 18        |
| Friday    | 2               | 14        |
| Saturday  | 4               | 24        |

The new 1972 International ambulance was put into service in October. It is a larger and more fully equipped unit, allowing the Emergency Medical Technicians who man the vehicle to do a more efficient job. It is equipped with radio equipment to communicate with our own Fire Department forestry radio, the Hopkinton Police Department and a new unit which gives the E.M.T. direct contact with the Hospital Emergency Room. These units are in operation in Concord, New London, Manchester V. A. and Mary Hitchcock Hospital in Hanover. For those familiar with the television program "Emergency", you will recognize what we are talking about. The 1963 ambulance has been relegated to back-up duty and has been pressed into service several times.

Last spring, ten of our volunteer firemen, along with members of the Hopkinton Rescue Squad and men and women from Henniker, Warner, Hillsboro, Concord and Weare, participated in an Emergency Medical Technician course, which was held at Hopkinton High School with meetings every Tuesday and Friday evenings from March into June. The course consisted of 72 hours of classroom instruction and, speaking from my own experience, you can double this time with the amount of homework involved. Instruction was furnished by our own Ted Starkweather and James Houghton of Henniker, as well as doctors from the staff of Concord Hospital. Twenty-eight Emergency Medical Technicians received their Certificates and are licensed by the Department of Public Health.

As voted at the 1972 Town Meeting, the Department purchased from the City of Concord an 85 foot aerial ladder truck, complete with deluge gun and 250 feet of hand ladders. The hand ladders alone are worth the price of the entire unit. A generator-welder unit was installed in the service truck and equipped with high intensity flood lights for safer night work. A motor tune-up kit was purchased, allowing our permanent men to make necessary repairs and adjustments to keep our equipment in tip-top condition. The Department

installed a quick dump valve on Tanker 2 which allows the dumping of a 1000 gallon load in two minutes from the portable pumping tank. This, of course, frees the truck to return to a source of water for immediate refill. The quick dump valve works so well we hope to equip the remaining tankers in the same manner.

The Hopkinton Fire Department again sponsored Cub Pack 77, which this year had an enrollment of 90 boys. The Department also co-sponsored, along with Hopkinton Police Department, a scholarship for a graduate of the High School.

Members of the Department once again attended Fire Schools at the Meadowwood Drill Area in Fitzwilliam, New Hampshire.

We members of the Fire Department are proud of the fact that Chief "Skip" Salsbury has been elected President of the Capitol Area Mutual Aid for the ensuing two years.

One of our faithful members has just completed forty years of service to the Town as a firefighter. Harold E. Brown joined the old Contoocook Precinct Department in November of 1932. He tendered his resignation at our November meeting. In January, the Department was pleased to present him with his badge embedded in the base of a pen set.

You will recall that at last year's Town Meeting, the Town accepted as a gift from Wayne L. Patenaude a parcel of land on Pine Street for the construction of a new fire station. Members of the Department have volunteered several weekends and evenings, clearing the site of trees and brush.

A serious note! PLEASE! When the fire siren sounds, do not call the Fire Department on either telephone system to find out where the fire is. This just ties up the telephones and someone else may have an emergency. If you re-read last year's Town Report, you will find that two alarms were reported just three minutes apart. When the alarm sounds, we are very busy dispatching the right equipment in the right direction. Also, please make a note of the "No School" signal. At 7:00 A.M., the fire alarm sounds steadily for 15 seconds, off 15 seconds, followed by a 2nd 15 second blast. One final important request — should you make a call for fire or ambulance assistance, if at all possible send someone out to the street to instruct the crew to which house or door to go.

We wish to thank everyone who attended our Fourth of July celebration and Thanksgiving benefit, and hope to see you all there again this year. Bring a friend!

Leslie C. Townes  
Clerk

## LOG OF HOPKINTON FIRE DEPARTMENT

## HOPKINTON PLANNING BOARD

Based upon the Comprehensive Town Plan prepared by Metcalf and Eddy, Inc., a new Zoning Ordinance was proposed by the Planning Board. Several public hearings were held and, as a result, modifications were made in the proposed Ordinance. The new Zoning Ordinance was accepted by the voters of Hopkinton on June 27, 1972. Amendments to the new Ordinance were solicited and proposed by the Planning Board and will be acted upon at Town Meeting, March, 1973.

The Planning Board is drafting Subdivision Regulations which should be adopted early in the spring of 1973, as authorized by the voters at the 1972 Town Meeting.

Thomas O'Donnell  
Chairman

## REPORT OF THE TOWN CONSERVATION COMMISSION FOR 1972

Our Commission met six times to conduct its regular business. Working in conjunction with the Central N. H. Regional Planning Commission, we reached the decision to have a survey made of the Contoocook River and its shorelines from Contoocook Village to the Concord line, provided Ford Foundation Funds became available. We met twice in Bow to expedite this venture. These meetings resulted in a project titled the Contoocook River Preservation Plan and Implementation Program, with the agreement that the Ford Foundation would contribute \$1550 to the study, provided our Town Conservation Commission made an additional \$800 available, to take care of total estimated cost of \$2350. Our Commission had \$500 available. The N. H. Savings Bank offered to donate \$150 provided Hopkinton business men would match this donation. Matching funds became available through the assistance of the following: Alderic & Alice Violette, \$15.00; Foster I. Barnard, \$10.00; Aerotronic Assoc. Inc., \$25.00; Jordon Milton Caterpillar Service, \$25.00; Astles Lumber & Hardware Co., \$25.00; HMC Corp., \$10.00; Hopkinton Assoc. Inc., \$10.00; Dodd Insurance Agency Inc., \$20.00; Crathern Engineering Co., \$10.00; J. F. Kirk Inc., \$10.00; Kings Arrow Realty Co., \$10.00.

Through the services of Hansen & Young Assoc. a first rate survey was completed. The contract calls for 500 copies of the study, which will soon be available. A presentation of the results and recommendations will be made at a public meeting in 1973. Actual costs, to date, for this study have been \$202.51 paid to the Central N. H. Regional Planning Commission.

Representatives from our Commission also attended meetings in Andover concerning the Blackwater River, while the Chariman made a field survey of portions of the River in an effort to learn more about the water quality of the River.

The Chairman also attended an all day session on solid waste disposal sponsored by the Environmental Protection Agency's Regional Office of Boston.

Respectfully submitted,

Dr. Bascom Johnson, Chairman  
Walter Dwyer  
Allen Lewis  
Hilbert Siegler

**HOPKINTON POLLUTION COMMISSION****REPORT FOR 1972**

The Hopkinton Pollution Commission was appointed by the Selectmen in March 1972 for the purpose of finding a workable solution to the problem of this town's pollution of the Contoocook River. The Town is presently under order from the New Hampshire Water Supply and Pollution Control Commission to correct the situation.

After much study, a progress report, with recommendations, was filed with the Selectmen (see Hopkinton Pollution Commission Report [August 2] 1972).

The conclusions of this report are still valid. State and Federal funding is still not available, and in our best judgement will not be for several more years. The Commission therefore does not recommend further expenditures for design and/or construction at this time.

The Commission does recommend that it continue to remain active, monitoring legislation and funding changes, and new waste disposal technology. It is hoped that in the near future this added information and more appropriate legislation and funding will lead to a practical solution of the existing problem.

Respectfully submitted,

Warren Hedden

Paul Otis

Wayne Patenaude

Merle Thorpe, Chairman

Leland Wilder, Clerk

## CIVIL DEFENSE AUXILIARY POLICE RESCUE SQUAD

I am pleased to make the following report of the Civil Defense and Rescue Squad. This year your Rescue Squad was involved in only ten rescues which consisted of 2 persons being taken to the Concord Hospital, 1 Drowning Victim and 2 Missing Persons which were located, one Airplane Crash, a Canoeing Rescue, and Standing by when the dam in Claremont, was in danger.

Although, our activity was down, many accomplishments were made. Seven of our Members are now licensed EMT's (EMERGENCY MEDICAL TECHNICIANS) and 10 Members are licensed Ambulance Attendants.

Also, we have made improvements in our equipment such as the oxygen system which is now built into our Rescue Truck. The unit now is equipped to surpass all State and Federal Regulations. We have added 2 Men to the Volunteer Service being, Donald Drescher and Joseph Wiley, bringing us to a total of 16 Men.

I would like to thank all who supported our auction, which was a great financial success, and special thanks to the Contoocook Snow Mads Club for their gift of \$100.00 to our organization.

Thanks to all who have helped, and to the supporters of our Rescue Squad which has been such a great success.

## 1972 REPORT OF ANNUAL TOWN MEETING

Moderator, Philip S. Dunlap called the meeting to order at 8 o'clock in the forenoon.

The Warrant for the meeting was read by the Moderator.

Prayer was offered by Rev. Perrin Radley.

Article 1: The following was offered by Thomas Johnson, Jr.:

I nominate the following Town Officers for the term of one year and move that the Clerk be instructed to cast one ballot:

Firewards: Ernest S. Archibald, Raymond C. Proctor, Stanley L. White

Fence Viewers: Alfred N. Chandler, Roy Kimball, George W. Bean

Weigher: Roger M. Andrus

Sexton: Bernard G. Foster

Surveyors of Wood and Lumber: Walter W. Dwyer, Jr., Angus P. Derry,  
Arthur S. Duston

Adopted in the affirmative.

Article 2: The following was offered by Harry C. Parker:

Resolved by the town of Hopkinton, in town meeting convened, that the sense of the qualified voters be taken as to whether the amendments of the Constitution proposed by the 1971 session of the General Court shall be approved.

Adopted in the affirmative.

Article 3: The following was offered by Marjorie C. Packard:

Resolved by the town of Hopkinton, in town meeting convened, that the meeting recess its further business proceedings under the Warrant, to reconvene on Wednesday, March 8th, 1972, at 7 p. m. at Hopkinton High School, the polls, however, to continue open under Article 1 as declared by the Moderator.

Adopted in the affirmative.

The meeting reconvened on Wednesday evening at 7:30 p. m. at Hopkinton High School, and the Warrant was read by the Moderator.

Rev. Timothy Wildman offered prayer, after which there was a moment of silence out of respect to the memories of George Dane, Delbert Reade and James Weast who served this town well as Selectmen.

Article 4: The following was offered by Charles A. George:

Resolved by the town of Hopkinton, in town meeting convened, that the sum of \$41,285.00 be, and is hereby raised and appropriated for General Government Operation:

|                                                       |             |
|-------------------------------------------------------|-------------|
| A. Town Officers' Salaries . . . . .                  | \$17,485.00 |
| B. Town Officers' Expenses . . . . .                  | 8,200.00    |
| C. Election and Registration Expense . . . . .        | 1,500.00    |
| D. Town Hall and other town buildings . . . . .       | 8,100.00    |
| E. Employees Retirement and Social Security . . . . . | 6,000.00    |

Adopted in the affirmative.

Article 5: The following was offered by Everett H. Sylvester:

Resolved by the town of Hopkinton, in town meeting convened, that the sum of \$33,124.00 be, and is hereby raised and appropriated for the Police Department.

Adopted in the affirmative.

Article 6: The following was offered by Frederick W. Degerick:

Resolved by the town of Hopkinton, in town meeting convened, that the sum of \$3,490.00 be, and is hereby raised and appropriated for the employment of a third full time police officer and authorize a change in cruiser purchasing policy.

(This article is not recommended by the Budget Committee).

Amendment offered by Murray George: Strike out \$3490.00 and insert in place thereof the sum of \$290.00, so that the Article as amended shall read:

Resolved by the town of Hopkinton, in town meeting convened, that the sum of \$290.00 be, and is hereby raised and appropriated for the employment of a third full time police officer and authorize a change in cruiser purchasing policy.

Article as Amended was adopted in the affirmative.

Article 7: The following was offered by Marion S. Dalby:

Resolved by the town of Hopkinton, in town meeting convened, that the sum of \$27,994.00 be, and is hereby raised and appropriated for the Fire Department.

Adopted in the affirmative.

Article 8: The following was offered by S. Twitchell:

Resolved by the town of Hopkinton, in town meeting convened, that the sum of \$10,000.00 be, and is hereby raised and appropriated for the purchase of a new ambulance and to authorize the Board of Selectmen to borrow not more than the said sum in the name of the town for the purpose and execute and issue evidence of such indebtedness notes or bonds of the town of Hopkinton pursuant to the provisions of the Municipal Finance Act and any other applicable laws of the State of New Hampshire.

Amendment offered by Kurt M. Swenson:

Amend this Article by adding the following sentence, that the old ambulance be sold or traded and the proceeds be applied to the purchase of a new ambulance, so that the Article as amended shall read:

Resolved by the town of Hopkinton, in town meeting convened, that the sum of \$10,000. be and is hereby raised and appropriated for the purchase of a new ambulance and to authorize the Board of Selectmen to borrow not more than the said sum in the name of the town for the purpose and execute and issue evidence of such indebtedness notes or bonds of the town of Hopkinton pursuant to the provisions of the Municipal Finance Act and any other applicable laws of the State of New Hampshire, and that the old ambulance be sold or traded and the proceeds be applied to the new ambulance.

The amendment failed on a voice vote.

The Moderator called for a Yes and No ballot on the original Article with the following result:

Ballots cast: 317, Yes 261, No 55, 1 ballot not voted

Original Article was adopted in the affirmative.

Charles Douglas III moved to take up Articles 22 and 23, out of order. This motion was seconded by Gail George, and carried in the affirmative.

Article 22: The following was offered by R. George:

Resolved by the town of Hopkinton, in town meeting convened, to authorize the Selectmen to employ the services of the State Tax Commission or a qualified private appraiser to appraise all taxable Real Estate in the Town, and to raise and appropriate the sum of \$25,000.00 — \$10,000.00 to be raised in 1972 by taxation and to authorize the Board of Selectmen to borrow not more than the sum of \$15,000.00 in the name of the Town for the purpose and execute and issue evidence of such indebtedness notes or bonds of the town of Hopkinton pursuant to the provisions of the Municipal Finance Act and any other applicable laws of the State of New Hampshire. (This Article is not recommended by the Budget Committee).

Amendment offered by Bruce Simons:

Strike out '\$10,000. to be raised in 1972 by taxation and to authorize the Board of Selectmen to borrow not more than the sum of \$15,000. in the name of the Town for the purpose and execute and issue evidence of such indebtedness notes or bonds of the Town of Hopkinton pursuant to the provisions of the Municipal Finance Act and any other applicable laws of the State of New Hampshire. (This Article is not recommended by the Budget Committee),' so that the article as amended shall read:

Resolved by the town of Hopkinton, in town meeting convened to authorize the Selectmen to employ the services of the State Tax Commission or a qualified private appraiser to appraise all taxable Real Estate in the town and to raise and appropriate the sum of \$25,000. — \$12,500. to be raised in 1972 by taxation and \$12,500. in 1973 by taxation for this purpose.

The moderator called for a Yes and No ballot vote on the Article as amended.

Votes cast: 213, Yes 160, No 153.

The Article as amended was adopted in the affirmative.

Kurt Swenson having submitted he voted with the prevailing side, moved to reconsider. This motion was seconded by Charles Douglas III. Motion was defeated.

Article 23: The following was offered by Edward Leadbeater:

Resolved by the town of Hopkinton, in town meeting convened, that the sum of \$80,000.00 be and is hereby raised and appropriated in the preparation of plans and specifications for sewerage and sewage treatment facilities, inclusive of land acquisition, easements and rights-of-way as are required. This sum to be raised by taxation in 1972 in the amount of \$20,000.00 and by the issuance of not exceeding \$60,000.00 in serial bonds or notes under and in compliance with the provisions of the Municipal Finance Act (Chapter 33 of the New Hampshire Statutes Annotated 1935 and any Amendments thereto) and to authorize the Selectmen or other legally authorized representatives to issue and negotiate such bonds or notes and to determine the rate of interest thereon, and to take such other actions as may be necessary to effect the issuance, negotiation, sale and delivery of such bonds or notes as shall be in the best interest of the town of Hopkinton and pass any vote relating thereto.

Amendment offered by Edward Leadbeater:

Amend this Article by striking out the entire Article so it shall read;

Resolved by the town of Hopkinton, in town meeting convened, that the Selectmen appoint a committee of five to seven members to study the problem of sewage and/or sewerage treatment facilities and to report to the Town on or before the 1973 Town Meeting; and that the sum of \$1,000.00 be and is hereby raised and appropriated to defray costs of this study.

By a voice vote the Article as amended was adopted in the affirmative.

Robert Nichols made a suggestion from the floor that \$1,000.00 be struck out and put in \$10,000.00.

By a voice vote this suggestion was defeated.

Article 24: The following was offered by Luciele Gaskill:

Resolved by the town of Hopkinton, in town meeting convened, to authorize and empower the Planning Board to adopt regulations pursuant to Chapter 36 of the New Hampshire Revised Statutes Annotated, 1955 and to authorize and empower the Planning Board to approve or disapprove new subdivisions and plots pursuant to said Chapter 36. Upon the adoption of this article and upon adoption of regulations by the Planning Board, it shall be the duty of the Town Clerk to file with the Registry of Deeds of the County of Merrimack a certificate or notice showing that the Planning Board has been so authorized.

Adopted in the affirmative.

Article 25: The following was offered by Bruce Simons:

Resolved by the town of Hopkinton, in town meeting convened, that the Selectmen be authorized to enter into an agreement with Wayne L. Patenaude to accept as a gift to the town of Hopkinton, the parcel of land bounded by the Schoch property, Pine Street, Kearsarge Avenue and the Contoocook River subject to certain reservations and restrictions that said land shall be used only for the location of a fire station and that construction of said fire station shall commence not later than July 1, 1976, unless otherwise expressly agreed to in writing by the grantor or his heirs or assigns.

Amendment offered by Joseph Ransmeier:

Amend Article 25 by adding at the end thereof the following language:

‘but provided that upon the construction of such fire station the said restrictions shall terminate’, so that the article as amended shall read:

Resolved by the town of Hopkinton, in town meeting convened, that the Selectmen be authorized to enter into an agreement with Wayne L. Patenaude to accept as a gift to the Town the parcel of land bounded by the Schoch property, Pine Street, Kearsarge Avenue and the Contoocook River subject to certain reservations and restrictions that said land shall be used only for the location of a fire station and that construction of said fire station shall commence not later than July 1, 1976, unless otherwise expressly agreed to in writing by the grantor or his heirs or assigns but provided that upon the construction of such fire station, the said restrictions shall terminate.

Article as amended was adopted in the affirmative.

Article 9: The following was offered by Edith W. Krzyzaniak:

Resolved by the town of Hopkinton, in town meeting convened, that the sum of \$7,285.00 be, and is hereby raised and appropriated for the protection of persons and property:

---

\*See Notes to Financial Statement on following page.

### Notes to Financial Statement

As of January 1, 1972, the Water Department made effective a badly needed rate increase. Under the new rates, total billings to water customers in 1972 were \$10,710 as compared with \$8,484 in 1971, and amounts actually collected from customers were \$10,535 as compared with \$8,894 in 1971. The additional receipts greatly strengthened the financial position of the Water Department during the year.

The Income Statement does not treat payments on principal of debt as an expense. During 1972 Net Income (\$2,283.63) and Depreciation (\$3,205.51) provided a total of \$5,489.14 of cash, of which \$4,925 was applied to repayment of the principal of debt of the Precinct incurred for Water Department purposes and \$164.70 represented a net increase in Accounts Receivable from Water Customers as compared with December 31, 1971. Both Cash on Hand and Current Liabilities at the year-end were about \$1,300 less than at the close of the prior year.

Respectfully submitted,  
Joseph S. Ransmeier, Treasurer

## REPORT OF HOPKINTON VILLAGE PRECINCT

The Precinct continues to be served with street lighting. An underground electric line has been run to the flagpole and Christmas Tree in the Village Square. A light, operated by a photo-electric eye, has been installed on the flagpole, permitting the flag to be flown at night. The Commissioners would like to continue improving the appearance of the Square and also effect repairs to the Precinct clock and Precinct firehouse.

A volunteer group — Hopkinton Friends of Fire King One — has been restoring the antique fire pumper, owned by the Precinct and has taken it to parades.

Commissioners,

Robert Sanborn  
Thomas O'Donnell  
Bernard Foster

## REPORT OF HOPKINTON VILLAGE PRECINCT WATER BOARD

Due to the new rate increase this year and the fact that there were no major problems the water department has strengthened its financial position during the year. The board hopes that in the near future it will be able to undertake badly needed improvements to customer service west of the village square.

Richard A. Brunel, Sr.  
Ralph Bennett  
Robert Soucy  
WATER BOARD

**THE STATE OF NEW HAMPSHIRE  
HOPKINTON SCHOOL DISTRICT  
SCHOOL WARRANT**

To the inhabitants of the School District in the Town of Hopkinton qualified to vote in district affairs:

You are hereby notified to meet at the Hopkinton Town Hall on the sixth day of March 1973 at 8:55 in the morning to act upon the following subjects:

1. To choose by non-partisan ballot, the following school district officers with the pools open at 9:00 o'clock in the morning and remain open continually until 7 o'clock in the afternoon:

- A. Moderator for the ensuing year.
- B. Clerk for the ensuing year.
- C. Treasurer for the ensuing year.
- D. Two School Board Members for the ensuing three years.
- E. Auditors for the ensuing year.

Given under our hands at said Hopkinton this 16th day of February 1973.

SCHOOL BOARD

**THE STATE OF NEW HAMPSHIRE  
HOPKINTON SCHOOL DISTRICT  
SCHOOL WARRANT**

To the inhabitants of the School District in the Town of Hopkinton qualified to vote in district affairs:

You are hereby notified to meet at the Hopkinton High School Gymnasium on the tenth day of March 1973 at 1:00 o'clock in the afternoon to take action upon the following subjects:

1. To see if the District will authorize the School Board to make application for and accept on behalf of the district any and all grants or other funds for educational purposes which may now or hereafter be forthcoming from the United States Government or from the State of New Hampshire for the school year 1973-74.

2. To hear reports of agents, auditors, committees and officers chosen and to take any action relating thereto.

3. To see what sum of money the District will vote to raise and appropriate for the support of schools, for the payment of salaries for school district officials and agents, and for the payment of statutory obligations of the district.

4. To see if the District will vote to raise and appropriate the sum of two thousand dollars (\$2,000.00) as a contingency fund or to take any other action relative thereto.

5. To see if the District will vote to raise and appropriate the sum of two thousand forty three dollars (\$2,043.00) to pay to the Supervisory Union No. 24, for the purposes of establishing and maintaining an instructional material center to be utilized for the varous districts within said Supervisory Union No. 24, or to take any other action in relation thereto.

6. To see if the District will vote to authorize and empower the full time custodians to participate in the State of New Hampshire Retirement System and to raise and appropriate the sum of \$844.29 to pay the district's cost of said participation, or to take any other action in relation thereto.

7. To see if the District will vote to raise the sum of \$3,900.00, to be added to the already budgeted amount for nurse's salaries, to allow the hiring of a full time nurse for the Hopkinton School System, or to take any other action in relation thereto.

8. To choose agents, auditors or committees in relation to any subject embraced in the warrant.

9. To transact any other business that may legally come before said meeting.

Given under our hands at said Hopkinton this 16th day of February 1973.

## REPORT OF ANNUAL SCHOOL MEETING

### March 11, 1972

The School Meeting was called to order at 7:55 a.m. March 7, 1972 by the Moderator, Philip S. Dunlap at the Town Hall. An attested copy of the warrant was read by the Moderator.

After action on Article I the meeting was recessed to reconvene at 1:00 p.m. Saturday, March 11, 1972 at the Hopkinton High School Gymnasium to act upon Article II through VI.

At the above date, time and place, the meeting was reopened by Moderator Philip Dunlap, duly elected and qualified by the balloting on March 7, 1972.

The Moderator read the warrant.

#### ARTICLE I

The Moderator recognized Mabel Emerson who moved that Article I be passed over. Motion adopted.

#### ARTICLE II

The Moderator recognized Edith Krzyzaniak who offered the following motion: I move that the district authorize the School Board to make application for and accept on behalf of the district any and all grants or other funds for educational purposes which may now or hereafter be forthcoming from the United States Government or from the State of New Hampshire for the school year 1972-73.

The Motion was adopted in the affirmative.

#### ARTICLE III

The Moderator recognized Jack Sturms who offered the following motion: I move that the district accept reports of agents, auditors and officers as printed in the school report subject to errors or omissions.

The Motion was adopted in the affirmative.

#### ARTICLE IV

The Moderator recognized Luciele Gaskill who offered the following motion: I move that the district vote to raise and appropriate the sum of \$877,356.00 for the support of schools, payment of salaries for school district officials and agents and for payment of statutory obligations of the district.

The Motion was adopted in the affirmative.

#### ARTICLE V

The Moderator recognized Harry Parker who offered the following motion: I move that the district vote to raise and appropriate the sum of \$2,000.00 as a contingency fund.

The Motion was adopted in the affirmative.

## ARTICLE VI

The Moderator then read and declared the names of the persons elected at the annual school district meeting balloting on March 7, 1972 as hereafter appears in this Report.

Mrs. J. Robert Caouette inquired as to the status of accreditation of the High School. Members of the School Board replied that the school was duly accredited as a Comprehensive High School.

Mabel Emerson inquired as to why teachers' salaries are not broken down into more detail and Jack Sturms inquired as to the Readiness Program.

There being no other business to come before the meeting, Edward Leadbeater made a motion to adjourn. Motion adopted.

The Moderator declared the meeting adjourned at 1:20 p.m.

Respectfully submitted:

Clerk, Charles G. Douglas, III  
Moderator, Philip Dunlap

## ELECTION OF SCHOOL OFFICERS

### For Moderator:

|                                 |      |
|---------------------------------|------|
| <b>Philip Dunlap</b> . . . . .  | 1018 |
| <b>Richard Brunel</b> . . . . . | 12   |
| <b>Scattered</b> . . . . .      | 8    |

### For School Board (2):

|                                |     |
|--------------------------------|-----|
| <b>Michael Manus</b> . . . . . | 672 |
| <b>Andrew McEvoy</b> . . . . . | 650 |
| <b>Trudy Gielar</b> . . . . .  | 564 |
| <b>Scattered</b> . . . . .     | 18  |

### For Treasurer:

|                                   |      |
|-----------------------------------|------|
| <b>Bonita A. Cressy</b> . . . . . | 1009 |
| <b>Scattered</b> . . . . .        | 3    |

### For Auditor:

| <b>Scattered</b> . . . . .               | 65 |

## SUPERINTENDENT'S MESSAGE

Our youth are educated on the basis of transmitting our culture and society so that they in turn will evaluate the ideas and bring about constructive change. The basic premise of education is to teach children to be critical thinkers, good citizens and to provide base skills for employment. Planning and effecting educational change to secure the desired ends entails internal teacher education, community involvement and support and effecting programing modifications while maintaining evaluation, proper financial support, and providing accountability. As society becomes more knowledgeable the perplexities of the educational process increase also.

We have been called upon to establish priorities, elicit objectives and propose procedures to be followed. The cycle of education has revolved again to total emphasis on the individual child with provisions for individual differences and formulation of programs and procedures to meet these differences. The factor of failure is largely eliminated as pupils proceed at their individual rates, interest is high, and relevancy to current society, economics, and politics is apparent. It is difficult for the adult world as interested citizens, parents and certainly educators to revise or abandon "traditionalism" in our frame of reference. Large group instruction, the captive audience lecture approach, and labeling large numbers of children with skill deficiencies as special class or disabled are fast disappearing from the educational scene. The teacher must have a priority commitment to first understanding and teaching children and secondly pursuing and relating his subject area. There are many imperatives in current education and performance goals are of prime significance.

With emphasis on pre-school education, stress on individualization of instruction, removal of the lock step of grade arrangement, wider use of teacher aides, increased technology, and more diversification in the curriculum to meet the needs of all, we find great disparity between school districts with some in an enviable position and others seeking rational answers. The educational process has become increasingly more expensive but not disproportionately as compared to other increasing costs.

My initial orientation to this Supervisory Union has been most eventful with challenges appearing from several directions. The timing was critical from my aspect with the immediacy of researching budget preparation before knowing staff and programs. Salary negotiations have also thrust differing approaches for School Board action.

The schools basically operate well and the problems are inherently unique to each district. My educational philosophy urges broadening educational experiences for children and providing diversification and more intensified preparation in vocational areas. Work experience programs are excellent, but would be greatly enhanced through greater depth of preparation. I strongly urge sharing programs in the three high schools to (1) avoid duplication and triplication of capital outlay, (2) providing a sufficient number of students to create program

efficiency, and (3) utilizing valuable space in the most productive and economical basis possible.

We will hopefully gain more State and Federal financial assistance for education in the future. Categorical aid has certainly been the catalytic factor in implementing some new programs.

This Supervisory Union is fortunate to have concerted interest in professional in-service education, strong support for the C.A.P.E. program, and now fostering the Instructional Materials Center for central dissemination of audio-visual materials.

Excellence in education is achieved only through professional dedication, strong supportive services and an interested, concerned and supportive public. Research and practice have shown refinements within the capabilities of all school systems as long as flexibility and willingness to modify exist. Learning can be most enjoyable. We have a moral obligation to plan, support, and operate programs adapted to the differing capabilities and needs of all children to ensure the strength and future well-being of our society. By creating a learning atmosphere that is interesting, exciting and challenging we are providing the vehicle for each individual to explore and discover processes and procedures for himself and in end result make it possible for him to grasp changes in taking his place in the working world.

Members of the School Boards have a multiplicity of issues confronting them and your support is essential. The need for public understanding and support has never been more necessary.

Thank you.

Respectfully submitted,

NEIL E. CROSS

## REPORT OF HOPKINTON ELEMENTARY SCHOOLS

Malcolm A. Merrill, Principal

Each year as I make an attempt to write something for the Town Report, I encounter the same problem. Should the report be general or specific in nature; should it be positive or negative in approach; should it be brief or lengthy in content: I never really resolve any of these problems, I just start thinking in terms of what major issues or programs I think the townspeople should be aware of, and go on from there.

Most school administrators today are faced with a real crisis. If we know, or think we know, in which direction lies an adequate education for children, we also know that this adequate education is going to cost money;<sup>1</sup> perhaps more money than you are willing to spend. Therefore we compromise, we phase, we set priorities, we write programs and try to engender support for those programs. Worst of all, we sometimes sense the futility of ever catching up, and almost stop trying — almost, but not quite, because a good teacher, hence a good administrator doesn't know how to quit, and the good parent (who has the greatest investment of all) cannot afford to quit, so the treadmill continues.

### "Health and Physical Education for Hopkinton Elementary Schools"

Has it ever seemed a bit strange to you that Hopkinton High School, along with just about every other high school in this nation, has had a Physical Education program, directed by a qualified physical education teacher (or two) for some years now; long after kids have learned properly (or should have learned properly) to walk, run, jump, skip, hop, and read, whereas in our elementary schools, where children are just learning to control their own bodies, we have no such program.

In the critical early years of children's lives, physical play is a necessity. Exercise in the form of play stimulates bone growth, develops lung capacity, aids in blood circulation. If optimal growth and efficiency of movement are to be achieved, many different patterns of movement must be practiced, and more and more educators recognize that good motor development and coordination will lead to good academic development. As children achieve strength, endurance and resiliency of their skeletal frames, they will be more likely to achieve success with academic learning tasks. By the same token, if a

---

1. Individualizing the instructional program to meet the needs of each student in a group has been a common goal of education. Teachers and principals have given support to this concept, and perhaps in some measure some have achieved this desirable goal. Two features are primary deterrants to such efforts. The lack of a variety of instructional materials has left many teachers in limbo, compounded by the problem of the sheer time required of teachers . . . time to create, reproduce, organize the desirable program materials — and still have any time and energy left to teach.

child is restrained from hard physical movement over a period of time, his body will function poorly and he will develop feelings of inadequacy and frustration, and he may find it impossible to concentrate on learning tasks with any real effectiveness.

The need for carefully designed learning experiences throughout a child's education has been established. When viewing physical education as a life long experience, educators consider the elementary school years a beginning, a foundation on which a child can build to develop a healthy and wholesome life of physical activity.

The content of today's elementary school physical education program is considered movement, with four major categories.

1. Body, or what the body can do.
2. Space, or where the body can move.
3. Effort, or how the body can move.
4. Relationships, or with whom or what objects the body can move.

The general aspects of physical education — games, sports, dance and gymnastics remain about the same. The difference lies in the emphasis — not to seek skill improvement alone, but to promote the total physical and mental health of the young child.

My Elementary Principals Report in the 1970 Hopkinton Town report placed emphasis on the need to start planning for a comprehensive program of health and physical education, grades K-6. The report was consistent with the soon to be released "Revised Minimum Standards for New Hampshire Elementary Schools", and the long range improvement program as envisioned by former Superintendent of Schools Douglas Brown. The Hopkinton School Board in the 1971 elementary budget supported the philosophy with an appropriation to provide seven (7), or 1/3 of the needed mobile cafeteria table/bench units to transform the Maple Street School cafeteria into an effective activity room. Seven more units were added in the summer of 1972. The final phase of the plan is designed to provide the remaining seven table units and to budget for a full time elementary school health/physical education instructor.

Early evidence of strong support for the physical education program has come from the many parents who have followed the progress of the proposal since its inception. If we add the supportive contingency who feel strongly that health education should be incorporated into the elementary curriculum, and receive a favorable recommendation from the Hopkinton School Board, I believe we can plan implementation of health and physical education in Hopkinton Elementary Schools for September, 1973.

Although health education is considered to be part of the total program, the physical education instructor will not be expected to teach classes in health education. (He, she) will be obligated to help coordinate the program, and work with classroom teachers in building a comprehensive curriculum in health education. We hope to have a curriculum guide in the hands of each

classroom teacher. This will control the scope and provide sequence to the program. Actual units of work will not be developed by the committee; however, suggestions for possible units will be made.

#### Principal's Office

One of the most frequent complaints directed to me within the last year is the total inadequacy of the Principal's office at Maple Street School. Due to the complete utilization of the building, there is no place in the school to have a conference in privacy, to test an individual child, or to talk out a problem with a youngster or a teacher without interruption.

We have made some recommendations to the School Board which, if acceptable, will provide a room (the present office) which can be utilized as suggested previously. Plans are only at the suggestive or speculative stage at this time and further discussion would be premature.

As Elementary Principal, I do appreciate the interest and support you extend to the elementary school program. I hope we can continue to deserve your support.

Malcolm A. Merrill  
Principal

### SCHOOL BOARD'S CERTIFICATE

This is to certify that the information contained in this report was taken from official records and is complete and correct to the best of my knowledge and belief. The accounts are kept in accordance with Section 24 of Chapter 71 of the Revised Statutes Annotated, and upon forms prescribed by the State Tax Commission.

 Dorothy Marie Welch  
 Roger Welch  
 Charles Clark Wetterer  
 Robert A. White  
 Sharon Louise Whitney  
 Debra Ann Wilson  
 Walter English Yeager  
 James Stanton Young

As of the Fall of 1972, 29 members of the Class of 1972, 58.3%, had gone on to further their education 48.8% at four year institutions. Those continuing their education are attending the following institutions: University of New Hampshire, Keene State College, Plymouth State College, Colby College, N. H. Vocational/Technical Institute, University of Vermont, Massachusetts Institute of Technology, N. H. Technical Institute, Hesser College, New England College, Michigan State University, St. Anselm's College, New Hampshire College, Neuchatel Jr. College (Switzerland), and Tufts University. Of the remaining 19 members of the class, 1 is in the service and 18 are gainfully employed.

The following staff replacements were made: Mrs. Sharon Baker as Business Education teacher, Mr. Michael Craft as Mathematics teacher, and Mr. James Albert as Guidance Counselor. The Industrial Arts department was expanded by the addition of another instructor — Mr. Thomas McGuire.

This year we embarked on an experiment in the English area which we call "differentiated staffing." Through the use of teacher aides we are trying to improve the effectiveness of our teaching through the better utilization of teacher talent and time. Presently, we are trying to devise an adequate method

of evaluating this new approach. Currently, the committee which brought the two differentiated staffing experiments into being — there is one at the elementary level — are working on defining the role of teachers at various stages of their growth.

The addition of another Industrial Arts instructor has permitted us to begin our expansion of offerings in this area as well as permitting a reorganization of courses. We are now faced with the problem of how to expand our offerings for girls, either in the area of Home Economics and/or Business Education. Coupled with this is the problem of increasing numbers at the junior high level and the impact that this will have on the number or size of sections in future years.

We can summarize our efforts as follows: how can we improve the quality of instruction; how can we better meet the needs of students; and how can we accomplish these objectives and stay within the means of the community to meet these obligations.

Sincerely yours,

s

William H. Milne  
Principal
